AUCTION CASE STUDY

Challenge

Make rewards fun and competitive to motivate sales representatives and drive sales for The Distributors.

Solution

We launched a Gratificii-powered rewards portal where members submit claims, earn points, and bid at auctions on customised and premium-value rewards.

Bi-monthly themed auctions keep the experience fresh and exciting.

Engagement is further boosted through themed promotions, exclusive reward offers, and targeted communications — all underpinned by seamless program design, reward fulfilment, and marketing.

Results

Increased member participation and motivation

Higher sales activity across the network

Stronger engagement with customised, high-value rewards

PERSONALISED COMMUNICATIONS

We manage all program communications and promotions to maximise engagement and keep the network informed.

Our custom program designs ensure your offers pop - driving traffic to the member portal and boosting long-term loyalty. Leverage our detailed engagement insights to understand more about your audience and deliver strategic nudges to re-engage segments of your audience.

LOYALTY PROGRAMS & REWARDS

Boost loyalty, encourage spend, and build relationships that last

Our B2B2C programs provide daily perks and ongoing value-adds that keep people coming back for more. With a mix of gamification, tiered rewards, exclusive offers, and referral programs, we make it easier to reduce churn and sustain engagement throughout the year.

EXCLUSIVE MEMBER DISCOUNTS

Challenge

Reduce churn and offer Virgin Velocity rewards that stand out, keeping members engaged and earning points instead of turning to competitors.

Solution

Enhance member offerings with exclusive movie ticket discounts, providing a fun and accessible experience for members and their families.

Results

Rewards hit the mark, with consistent and large uptake across discounted movie tickets

The same people came back for more, with increased repeat program engagement throughout the year

Strengthened member value proposition that differentiates the program from competitors and aligns with customer preferences

REWARD FULFILMENT

Our suppliers deliver best-in-market prices, exclusive to your members. We provide a reliable, tried-and-tested reward sourcing and distribution chain, offering products and experiences your audience truly values:

- Premium home appliances and goods
- Latest tech gadgets
- White-labelled home products
- Golf and sporting experiences

We package your custom reward selection into a tailored catalogue, then manage all redemptions and distribution across your network — making it simple for your people to save, select, and enjoy.

SMART LOYALTY TECHNOLOGY

Our platform is flexible, scalable, and insightful to keep you up to speed with the latest trends and member preferences

Flexible program design

Configure rules for combined or separate B2B and B2C programs

Advanced analytics & insights

Access detailed reports on participation, redemption, and sales uplift

API integrations

Seamlessly connect to CRM, ERP, ecommerce systems, and more

Security & compliance

Ensure robust data privacy and security standards
